Conference

The Agile Testing Days is the European conference for the worldwide professionals involved in the agile world. We are very proud to count with the support and the work of Lisa Crispin, Elisabeth Hendrickson, Tom Gilb, Stuart Reid, Isabel Evans, Alessandro Collino, Mary and Tom Poppendieck.

We decided to choose Berlin as one of the best connected capital in Europe and also for its very good price/service ratio for hotels and flights. Berlin offers also a lot of fabulous places to visit in your spare time.

Come and enjoy the conference!
